## DMSS - How to see your cameras on your Phone

The **DMSS** app can be used with or without logging into a Dahua Cloud account.

## Log into a Dahua Cloud account

If you have a smartphone, go to your device's **app store** and download **DMSS**.

Open the **DMSS app**, select **Me** in the bottom right and tap **Log in**.

Then select Sign UP.

After entering your email address, choose **Get Verification Code** to receive an email verification.

Copy the code exactly into the app and once completed you will be greeted with the homepage and option to begin adding devices.
